Two other named plaintiffs will attend. We hope to get a ruling on the Nomix case as soon as possible after the hearing ends. We also will have a meeting in DC with the other plaintiffs from the Shiree action. Will be staying with Jeff Feiring and his kids. 2) iRiver released an update today to their USD\$230 USD\$300 alpha (depending on where you get it) iPod touch with video. This has been done in response to Steve Jobs's talk at the iWorld Conference. It's interesting that apple has not taken their shares of the market upwards, and iRiver has. At the current price (of \$299 USD\$400 without the lense dock) it's also a pretty good deal. But the downside is it is not a real iPod touch... it has an alpha OS on it and lacks video calling functionality. I think this is because they don't want Jobs to make any history yet (and he doesn't need to for the people who buy it), and they
