Check out the news from here How long has it been? It feels like a lifetime ago but it was just over three months ago that we released the WWEShop. The time has come to unveil WWE 2K15! I want to first thank all of you for all the support throughout all of these years. To better thank our fans I want to keep that momentum and continue the traditions that we have created for all of our past rosters. One of the ways to do this is by creating the Team of the Year! In case you didn't know, I'll be selecting 10 people who I feel have made this year even better. These are the Creators of the Year for 2015! Since our first game, I have always shared our community with our fans. From the Mods, to the Staff, to the Scripters, everyone should have the experience of being a part of our community. For me to choose a team of the year, each of you should feel like you made a difference. However, I may just select a winner out of all of you! So let's get started. 1. WWE Studios 2. Scott Tucker 3. Tony Leites 4. JPS610. Ryback 11. Tom Johnston 12. Uncle Jimmy 13. Kevin Ellass
