[News] 2 Bloggers Who Sold Their Homes To Build A Free WordPress Theme Our Blog: How did we do this and help them out? We had unlimited access to the twitter account, unlimited access to their WordPress account. So we took over their WordPress for a month, we changed all the passwords, we changed all the keywords. Then we removed their original content to completely remove any backlinks from their site. Then we spinned new content in their name and replaced their backlinks with ours. So it appears like we have been there for years at the top of google with the power position in the search engines.
