The official website of The Behemoth's award-winning 2D arcade game! Slash, slash and smash your way to victory in Castle Crashers! Castle Crashers is a third-person 2D arcade game created by The Behemoth and published by Activision. The game is the ideological successor of the games "Deer Hunter" ("Deer Hunter") and "Sacrifice" ("Victim"), as well as the predecessor of the game "Hill Climb Racing". Castle Crashers uses a third-person perspective and includes mouse-based camera controls. In the story, the player controls the knight Rubeus Martell, and his opponent is the vampire Elijah. Their goal is to steal the sacred staff and relic
